

# HOUSING COMMUNITY LIVING STANDARDS 2024/2025

Nicola Valley Institute of Technology Student Housing, 4165 Belshaw Street, Merritt, BC V1K 1R1

The Student Housing community is a place that promotes a safe and peaceful environment that supports the academic success of students as well as their personal and social development. We aim to ensure that it is inclusive, responsible, and respectful. The Student Housing Community Living Standards (HCLS) has been created by Campus Living Centres in consultation with students and staff at colleges and universities across Canada to ensure the Student Housing environment at the Nicola Valley Institute of Technology (NVIT) achieves this goal.

Within the HCLS, the following items are discussed and defined:

1. **THE PEOPLE IN THE RESIDENCE COMMUNITY** (the Residence Staff and their roles)
2. **OBJECTIVES OF THE STUDENT HOUSING COMMUNITY LIVING STANDARDS** (our goals for the community)
3. **RULES THAT AFFECT YOU IN STUDENT HOUSING** (Student Housing rules, NVIT policies & Canadian laws)
4. **STUDENT HOUSING CITIZENSHIP** (your rights, responsibilities and privileges)
5. **OFFENSES AND SANCTIONS** (rules and consequences)
6. **JUDICIAL PROCEDURES** (incident reports, meetings, and appeals)

## 1. THE PEOPLE IN THE RESIDENCE COMMUNITY

Our Residence Staff work hard to ensure that you have a positive experience in residence while studying at Nicola Valley Institute of Technology. Below is a list of some of those people and their roles. The objectives of the RCLS, which is explained in the next section of this document, is our expression of the commitment we make to ensuring everyone has a positive experience in residence.

### HOUSING ADVISORS (HA)

The role of the HA is filled by returning students who live in residence and plan educational and social activities for the residence community. They provide valuable support and guidance to residents, while at the same time acting as a liaison with the Residence Management team. HAs complete nightly rounds of the building. The HAs are available through the Residence Life Office or the Residence Service Desk. They have the tools and knowledge to get you the answers, direction and/or assistance you need, or can simply be someone to talk to.

## 2. OBJECTIVES

- **To create a safe, secure, responsible and respectful community** by outlining the positive standards of behaviour expected within the Student Housing community and holding Students and their Visitors accountable for behaviour that violates these standards and encouraging Students to resolve their community living issues in a mature fashion.
- **To create an environment conducive to academic success** by promoting behaviour among Students and their Visitors that creates an effective learning environment.
- **To create an environment conducive to personal growth and development** by educating Students about the effect that their choices may have on themselves and others around them and providing Students with an opportunity to learn from their behaviour.
- **To create a fair environment** by following the Principles of Natural Justice and Procedural Fairness and clearly defining the standards and processes that Students, Visitors and Staff are expected to follow.

## 3. RULES THAT AFFECT YOU IN RESIDENCE

Student Housing policies and procedures are set guidelines for students that live in Student Housing on NVIT's campus. These are detailed in the Student Housing Agreement, the Student Housing website, and the HCLS. NVIT policies and procedures are related to an individual's status as a student of NVIT, which includes Student Housing. Therefore, your actions in Student Housing can also affect your academic status.

Municipal, Provincial and Federal laws and by-laws are related to you being a citizen in the city, province and country. The standards outlined by Student Housing and NVIT are informed by these laws. Student Housing and NVIT Staff aim to ensure that all of these standards of behaviour are respected and maintained.

Normally the Student Housing policies and procedures and NVIT policies and procedures act independently of one another. However, Student Housing shares all reports alleging HCLS violations with NVIT. In situations that create a concern for the safety and security of students in Student Housing and on campus, all important information will be shared between appropriate Student Housing and NVIT officials. In some cases, allegation(s) may be investigated by both the Student Housing and NVIT and the student will be subject to the sanctions under both sets of policies and procedures.

For more information about Student Housing and NVIT policies and procedures please refer to the following documents:

- The NVIT Institutional Policies: <http://www.nvit.ca/about/institutionalpolices.htm>
- The Student Housing Agreement (SHA)

## **SCOPE & APPLICATION**

The Student Housing Community Living Standards apply to all Students and their Visitors. They are in effect:

- (a) on Student Housing property, including in all buildings and the grounds of Student Housing;
- (b) at off-campus events sponsored by Student Housing or a recognized student leadership group in Student Housing;
- (c) when the conduct of a Student has a substantial link to NVIT, direct implications for the proper functioning of Student Housing; the well-being of Students; the educational mission of NVIT; or the interests or reputation of Student Housing and/or NVIT. This includes any behaviour observed or carried out through an online medium, by using text, audio, video or images, including but not limited to, Facebook, YouTube, Instagram, and Twitter will be treated as an Offense detailed within these standards.

## **AUTHORITY**

The HCLS is intended to be clear to all readers. If you have a question, consult a member of the Student Housing Management Team, as they have the authority to interpret the Standards. The HCLS attempts to identify a range of behaviours that constitute Offenses. Student Housing reserves the right, in extraordinary circumstances, to identify and sanction conduct that may not be specifically described, but which does not clearly support the stated Objectives of the HCLS or NVIT Policies.

## **PROTECTION OF PRIVACY**

Student Housing respects the privacy and personal information of student housing students and will comply with the Freedom of Information and Protection of Privacy Act regarding the gathering, retention, safeguarding and disposal of personal information.

All concerning behaviours and allegations of offenses documented in Housing Reports will be made available to the Student, Campus Security and the Office of the Register, upon request.

All Housing reports, files and records, both paper-based and electronic, will be kept for a minimum of seven (7) years after the termination of the Student Housing Agreement.

## **4. STUDENT HOUSING CITIZENSHIP**

Privileges are granted to Students upon arrival, based on the principle that Students are expected to conduct themselves in accordance with the HCLS. There is an important difference between Rights and Privileges. You can expect your Rights to be respected all the time, and you can maintain Privileges with behaviour in accordance with our HCLS. Privileges can be taken away through the judicial process if conduct does not comply with our HCLS.

## 5. VIOLATIONS AND SANCTIONS (THE RULES AND CONSEQUENCES)

A violation is any unacceptable conduct, action or neglect that violates the HCLS, Student Resident Agreement or NVIT's policies. Violations are described and classified based on three levels of increasing severity. Sanctions are the consequences for violations, which are described in detail in subsequent sections of the HCLS. At each level of offense and/or after repeated violations the severity of the sanctions will increase.

**Level 1 Violations:** Actions that interfere with the rights of another individual or community to the peaceful use and enjoyment of their space in Housing. Normal Point Range: 1-3

**Level 2 Violations:** Actions that create a significant nuisance and/or disturbance to an individual or community and/or repeated level one violations. Normal Point Range: 2-5

**Level 3 Violations:** Actions that endanger the safety and security of an individual; significantly compromise or damage personal or Housing/NVIT property; attack the dignity/integrity of an individual; contravene the laws of the land; and/or repeated level two violations. Any Level 3 Offense may warrant an eviction. Normal Point Range: 4-9

### The Point System

The point system is designed to help define the seriousness of specific behaviours and to track the frequency and severity of a student's HCLS violations. All violations are associated with points ranging from a value of 1 through 9. All violations have a minimum value of one point. The assigned number of points will depend upon the type of incident and/or its severity. In complex situations where multiple violations occur in the same incident, points will typically be assigned based on the most serious single violation of the HCLS.

Points remain on record until August 15 of each year, or as stipulated upon eviction. After a Resident has been found responsible for a violation, the Resident may be responsible for educational, restorative, or punitive sanctions. Points are assigned for each incident based on the table below. Points are used in determining the sanctions appropriate for a resident, given their cumulative conduct record, as outlined in the "Sanctions" section below. During sanctioning, decision makers consider a resident's total points, including those assigned for the current violation.

Tier	Points Accumulated	Typical Sanction Examples
I	1 - 3	Warning, Community Service, Educational, Fine, Loss of Privileges, Restitution
II	4 - 8	All Tier I Sanctions, Communication Ban, Transfer/Relocation, Behavioural Contract, Residence Probation
III	9 +	All Tier I, and II Sanctions, Eviction, Recommendation of Charges of non-Academic Misconduct

### VIOLATIONS

The violations listed in the HCLS summarize policies stated in the Student Housing Agreement (SHA) and are found to be consistent with NVIT policies and values. Where applicable, reference is made to these policies.

Level of Incident	Points Typically Assigned
LEVEL 1	1 - 3
LEVEL 2	2 - 5

Student Housing Management will not approve any event that involves or is presumed to involve the use of alcohol or other substances.

**Note 2:** Maximum capacity of a student housing room is defined as the number of residents that live in the room plus two additional people each.

Examples of weapons include and are not limited to: handguns, rifles, air guns, pellet guns, paintball guns, BB guns, crossbows, swords, hunting knives, fishing knives, martial arts weapons, brass knuckles, replica weapons, or any other prohibited device as defined in the Criminal Code of Canada. This includes live and dead bullets, arrows, grenades, etc. Ammunition and replica ammunition are also prohibited in housing.

### LEVEL 3

- a) Possession, storage, use or threatened use of a weapon and/or replica weapons.

## SANCTIONS

Sanctions are consequences for behaviour that violates the HCLS, Student Housing Agreement, or NVIT policies. These sanctions are explained in detail, including any relevant deadlines or payment information in a Decision Letter written by Housing Staff. Sanctions are intended to be primarily educational and restorative in nature. Sanctions may be used independently or in combination for any single violation. Repeated and/or multiple violations shall increase the severity of sanctions applied, as determined by a resident's point total. In most circumstances, the following range of sanctions may be assigned to residents at each tier of cumulative point totals.

### Tier I Residents with 1-3 Total Points

- a) **Warnings** - a verbal or written caution that continuation or repetition of the offending behaviour will constitute more serious sanctions in the future.
- b) **Community Service** - tasks or roles assigned as sanctions, which contribute positively to the reputation, welfare or condition of the Housing or surrounding community.
- c) **Disposal/Removal of Items** - removal of items from the Housing that violate the Housing Community Living Standards.
- d) **Educational Sanctions** - tasks assigned as a sanction designed to promote learning and development.
- e) **Fines** - a sanction applied to a Resident whereby they are required to pay a monetary fee.
- f) **Loss of Privileges** - a sanction that places restrictions on certain privileges of the Resident.
- g) **Restitution** - payment for damage or loss experienced by NVIT, Housing, Residents, Guests or others.

### Tier II Residents with 4-8 Total Points

- h) All Tier I Sanctions.
- i) **Communication Ban** - a sanction that limits the privilege of a Resident to communicate freely with another Resident.
- j) **Transfer/Relocation** - a sanction that will reassign accommodation either within the Housing Complex or to a location off campus
- k) **Persona non grata (PNG) or Trespass Notice** - a sanction given to an individual who is denied the privilege to enter Housing. The PNG individual is also prohibited from attending any housing events which occur outside of the building. A copy of the PNG letter is filed with Campus Security. A PNG individual found or seen in housing at any time will be reported to Campus Security and may be subject to further sanctions under Housing or NVIT policies.
- l) **Denial of Readmission to Housing** - a sanction given to a Resident who will not be permitted to live in housing in the future.
- m) **Housing Probation** - a sanction applied as a deterrent against future violations. Any future violations of the HCLS of any kind may result in eviction.
- n) **Behavioural Contract** - a signed contract between a Resident and Housing Management addressing behaviour that may or may not be covered by the HCLS, to comply with conditions of conduct and to refrain from specified conduct as detailed in the Behavioural Contract. Violations of the terms a behavioural contract may lead to eviction.

### Tier III Residents with 9+ points

- o) All Tier I and II Sanctions.
- p) **Eviction** - termination of the Resident's Student Housing Agreement (contract) with the Housing.
- q) **Recommendation for Charges of Non-Academic Misconduct** - a sanction where Housing Staff make a formal recommendation to NVIT to investigate and/or charge the Resident with non-academic misconduct.

## PRIMARY AND SECONDARY CONTACTS

Every resident is required to identify two people as their Primary and Secondary contacts. It is suggested that these people are parents or legal guardians of the resident, as they serve as emergency contacts. They may also be contacted if any other significant concerns

or problems arise with the resident, such as significant violations of the Housing rules, late payments or fees, or concern for their well-being. Sections 5.01 and 5.02 of the SHA provide more details about the Primary and Secondary Contacts.

## **6. JUDICIAL PROCEDURES**

### **PRINCIPLES OF NATURAL JUSTICE AND PROCEDURAL FAIRNESS**

The Principles of Natural Justice and Procedural Fairness must prevail in Judicial

Procedures to uphold the principle that justice must not only be done, but be seen to be done. The principles are explained below:

- (a) The Student has the right to be informed of the allegation(s) of Offense(s).
- (b) The Student is entitled to an opportunity to respond to allegation(s) of Offense(s) at a meeting with Student Housing Staff and is also entitled to a reasonable notice of the time, place and nature of the meeting.
- (c) The Student is presumed not to be guilty of the alleged Offense(s) until an impartial and unbiased Decision-maker has determined the Offense(s).
- (d) The Student is entitled to reasonable disclosure of evidence of the Incident Report prior to a decision. Fact-finding occurs at a meeting with the Decision-Maker.
- (e) At meetings to discuss level three offenses, the Student is entitled to call a reasonable number of witnesses to the meeting to discuss alleged Offense(s). This must be arranged with the decision-maker prior to the meeting.
- (f) The Student is entitled to be advised in writing of the Decision about the alleged Offense(s) and the Sanction(s) applied, (if any). The Decision about guilt or innocence and any associated Sanction(s) should be made within a reasonable time.

### **STANDARD OF PROOF**

The information necessary to prove that an offense has occurred is referred to as the standard of proof. Outside of a criminal court of law, the model used in most civil cases and in fact by most educational institutions is called the Balance of Probabilities. This is the standard of proof used by Campus Living Centres within NVIT Student Housing. The standard of proof has been met if at the conclusion of an investigation, based on all credible information, the Student Housing Staff believes that the incident reported probably occurred. This means that the information provided in the Incident Report and in the judicial meeting demonstrated that the violation is more likely than not to have occurred. The standard of proof for criminal cases is beyond a reasonable doubt, which does not apply in Student Housing Judicial Procedures.

### **INCIDENT REPORTS AND JUDICIAL MEETINGS**

A summary of the Judicial Process is presented in the chart following this section.

Student Housing Staff will record behaviours, actions or negligence that may be Offenses against HCLS in Incident Reports. When necessary, the Incident Report may also include appendices, such as e-mails, photographs, or Security, Police, or Fire reports. Student Housing Staff will notify the Student(s) of the alleged Offense(s) and will notify them of a meeting to discuss the matter.

The purpose of a Judicial Meeting between a Student and a Student Housing Staff member is to investigate allegations of offenses detailed in an Incident Report. This is the opportunity for Students to be heard and explain their behaviour to the Student Housing Staff member. While these meetings must comply with the Principles of Natural Justice and Procedural Fairness and may result in formal sanctions, they are not designed to be highly formal in nature. At the conclusion of the meeting the Student Housing Staff member will follow-up with the Student in writing with a Decision Letter, which will outline all necessary decisions about offenses, sanctions and any related deadlines. If the Student fails to attend the Judicial Meeting with the Student Housing Staff member, the Student Housing Staff member may choose to proceed and make a decision based upon all evidence available.

### **COMMUNICATION BETWEEN STUDENT(S) AND STUDENT HOUSING STAFF**

Student Housing Staff will endeavor to communicate with Students via the following methods to discuss Incident Reports, deliver Decision Letters, and any other important aspects of the judicial process: (a) a telephone call to the student's phone provided to them in their room or the phone number on their student housing application, (b) an e-mail to their NVIT e-mail account or the account provided in their application, (c) a letter placed in a Students mailbox or under a Students room door, or (d) in person. Attempts to contact and communicate with a Student are deemed to be satisfactory when any two of the above methods have been used by Student Housing Staff.

### **STUDENT EMERGENCY PROCEDURES**

Although the three levels of Offences and the Judicial Procedures are intended to apply to most situations related to behaviour, there are conditions that warrant a heightened level of concern for safety, security, health and wellbeing. These conditions require special authority and guidelines. The following procedures ensure a swift, effective response to conditions to protect Student's, other individuals, and the Institution. In consultation with the Institution, and in accordance with the Institution's emergency procedures and protocols, the General Manager of Student Housing is granted extraordinary authority to respond to Student Housing Emergencies.

### **STUDENT EMERGENCY AUTHORITY**

In consultation with the Institution, and in accordance with the Institution's emergency procedures and protocols, the General Manager is authorized to determine if Student Emergency conditions exist, which is defined by the following:

- (a) evidence that a Student or staff has been harmed or appears to be in danger of harm,
- (b) evidence that a Student or staff has harmed or poses a threat to harm another individual or the community,
- (c) Student or staff has inflicted self-harm or appears to be in danger of doing so.

In response to a Student Emergency Situation, the General Manager is authorized to:

- (a) determine, quickly and directly, Student Housing's response to a Student Emergency
- (b) act in all matters associated with a Student Emergency
- (c) suspend other rules in order to invoke a swift response to a Student Emergency
- (d) share any and all related information with Security Services, the Police or emergency response personnel.

### **STUDENT EMERGENCY RESPONSE AND SANCTIONS**

In consultation with the Institution, and in accordance with the Institution's emergency procedures and protocols, the General Manager is authorized to:

- (a) turn the matter immediately over to appropriate authorities
- (b) immediately relocate the Student (s) involved in a Student Emergency within Student Housing or off campus, pending a meeting with the Student
- (c) authorize an Exclusion, which takes effect immediately and without notice, pending a meeting with the Student, having the effect that a Student identified by the General Manager or other Student Housing Staff as being involved in a Student Emergency:
  - a. is prohibited from accessing any service or facility of the Student Housing
  - b. may be escorted from Student Housing and/or the campus
- (d) determine Sanction(s) at Levels 1, 2, and 3 (including eviction), following a meeting with the Student.

**APPEAL PROCEDURES**

A summary of the Appeal Procedures is presented in the chart following this section. The following general principles apply to all appeals:

- (a) The Principles of Natural Justice and Procedural Fairness must prevail in Appeal Procedures to ensure compliance with the principle that justice must not only be done, but be seen to be done.
- (b) Any student found in violation of the RLCS is entitled to submit an appeal, based in the grounds for an appeal mentioned below.
- (c) A student has 72 hours from the date they receive their Decision Letter to start the appeal process. Staff will endeavour to respond to appeal requests within 72 hours of receiving them.
- (d) Depending on the original decision rendered the appeal process proceeds via one of two processes: the Appeal Process or the Eviction Appeal Process, which are detailed below.

**THE APPEAL PROCESS**

Students may choose to follow up with the decision maker by scheduling a meeting in order to better understand the decision or sanction(s) related to their incident. Should a student believe that there are issues with the finding of responsibility or sanctions related to their incident, they always have the right to appeal the decision.

- (a) The Appeal Process is in place for all decisions excluding Eviction.
- (b) Students may complete an Appeal Request Form and submit it to the Student Housing Office, within 72 hours of receiving the decision letter. The student requesting an appeal must demonstrate that they have grounds, which includes providing evidence of one of the following items:
  - i. **Bias:** Alleged and reasonable apprehension of bias of the Decision-maker who imposed the sanction(s).
  - ii. **Procedural Fairness:** Alleged substantive failure by the Decision-maker to comply with the Principles of Natural Justice and Procedural Fairness, which may have affected the decision.
  - iii. **New information:** Substantive new evidence which could not have been available to the Decision-maker when making the decision.
  - iv. **Alternative Sanctions:** The resident may request for their sanction(s) to be altered because the sanction(s) assigned are unduly burdensome, either because they are disproportionate to the violation and escalating conduct

process, or because circumstances individual to the respondent render the sanction(s) more burdensome than they would typically be.

- (c) Once the Appeal Request Form is received, a Housing Manager other than the initial decision maker will review the appeal request within 72 hours. If the appeal is granted, the GM (or designate) will set-up an Appeal Meeting with the resident(s).
- (d) The individual or committee considering the appeal may, after reviewing the case:
  - i. uphold the findings and/or sanctions;
  - ii. reverse the findings; or
  - iii. reverse or modify the sanctions.
- (e) During an appeal, all sanctions (minus financial sanctions) remain valid until they are reversed or modified by the individual or committee hearing the appeal. Financial sanctions will not be applied until a decision has been made.
- (f) All decisions made in an appeal are final and are not subject to further appeals.

## THE EVICTION PROCESS

- (a) If the student has grounds for an appeal, the student may complete the Appeal Request Form and submit it to the Designated NVIT employee(s), within 72 hours of receiving the eviction. The student requesting the appeal must demonstrate that they have grounds, which includes providing evidence of one of the following items:
  - i. **Bias:** Alleged and reasonable apprehension of bias of the Decision-maker who imposed the sanction(s).
  - ii. **Procedural Fairness:** Alleged substantive failure by the Decision-maker to comply with the Principles of Natural Justice and Procedural Fairness, which may have affected the decision.
  - iii. **New information:** Substantive new evidence which could not have been available to the Decision-maker when making the decision.
- (b) Once an eviction Appeal Request Form is received, Designated NVIT employee(s) (or designate) will review the grounds for the appeal and make a decision to either deny the appeal or set-up an Eviction Appeal Hearing. The student(s) will be contacted within 72 hours to notify them of this outcome.
- (c) If the appeal is granted, the designated NVIT employee(s) will set-up the Eviction Appeal Committee, which will be comprised of three (3) members of the Housing Advisory Committee. One of the members of the Eviction Appeal Committee must be a student, and one member must be a member of Student Housing Senior Management. Students appealing an eviction will be provided with additional information about Appeal Hearing procedures.
- (d) The Eviction Appeal Committee will communicate a decision in writing to the student. The committee will review all evidence and may decide to:
  - i. uphold the findings and/or sanctions;
  - ii. reverse the findings; or
  - iii. reverse or reduce the sanctions.
- (e) During an appeal, all sanctions (minus financial sanctions) remain valid until they are reversed or modified by the individual or committee hearing the appeal. Financial sanctions will not be applied until a decision has been made.
- (f) All decisions made in an Eviction Appeal Hearing are final and are not subject to further appeals.

## APPEAL MEETING PROCEDURES (Levels 1 - 3)

In this section, the student appealing the eviction is referred to as the appellant.

- 1. The hearing will proceed as scheduled, even if the appellant does not attend.

  - d. The written evidence presented in the respondent's response submission;
  - e. Any written evidence accepted by the appeal committee from the appellant or respondent during the hearing, providing that the appellant and respondent both had a reasonable opportunity to read, understand and respond to the document.
7. At no time should the committee deal with any matter outside the specific concerns set out in the request for appeal.
8. The burden of proof in a disciplinary appeal rests with the appellant, who must make a case to convince the appeal committee to decide in the appellant's favour.
9. All information reviewed and discussed during an appeal shall remain confidential.
10. In addressing the appellant's specific concern(s), the appeal committee should feel free to direct the parties to provide and produce additional material or witnesses directly related to the appeal.
